

## STANDARD TERMS AND CONDITIONS OF SALE

No waiver, alteration or modification of these terms and conditions shall be binding upon Omnitech unless made in writing and signed by a duly authorized representative of Omnitech.

**QUOTATIONS:** Unless otherwise stated, Omnitech's quotations shall be null and void unless accepted by Purchaser within thirty days from the date of quotation.

Price quotations shall remain in effect for the period of time specified in the quotation, but if no such time period is specified, billing shall be based on prices in effect at the time of the shipment. Unless specifically included in the price quotation, such quotations will not include supplying pre-production or evaluation samples or supplying test data of any kind.

**DELIVERY:** Omnitech shall use its best efforts to make deliveries in the quantities and at the time specified in the Omnitech quotation. However, delivery schedules are approximate and are based on prevailing market conditions applicable at the time of Omnitech's quotation and Omnitech's acceptance of Purchaser's order. Delivery shall also depend on the prompt receipt by Omnitech of the necessary information to allow maintenance of the manufacturer's engineering and manufacturing schedules. Omnitech may extend delivery schedules or may, at its option, cancel Purchaser's order in full or in part without liability other than to return any deposit or pre-payment which is unearned by reason of cancellation.

Omnitech shall determine whether such changes cause an increase or decrease in cost or time performance of this change order and a mutually satisfactory adjustment shall be negotiated. Purchaser shall not countermand, cancel or change this order or cause the work or shipment to be delayed or stopped except with the consent of and upon terms agreed by Omnitech. If Purchaser cancels this order, Omnitech shall have the right to discontinue work on this order and receive full reimbursement for all costs incurred plus reasonable profit.
